I've been trying for several weeks to try to put into words the level of gratitude I have for being led to your firm, and the results you achieved on my behalf. This experience has dramatically changed me and my life; justice would have me a felon, God's grace and your efforts have me free. Warm regards.

Thank you very much for all your help in getting my DUI dismissed. Your firm seemed to really care about my case.

*A satisfied Kreps Law Firm, LLC client*

Keep up the good work. I can hardly believe you were able to get such a bad ticket dismissed completely from my M.V.R.

*A satisfied Kreps Law Firm, LLC client*

I am very satisfied with Kreps Law Firm, because they did a great job representing me in Court. I would recommend them to anyone.

The most important aspect for me was removing the reckless driving charge. In the end, we got the charge reduced and I was pleased with the results.

I just wanted to thank you again for all that you have done for me, I don't know what I would have done without your help. You saved a lot of hardship for me and my family and we really appreciate it. There are no words that can describe the thanks we have for your help. You did more than I was expecting and could not have made it without you. Thanks you so much from me and my family again.

*A satisfied Kreps Law Firm, LLC client*

The most important thing was for me not to get any points on my license. The attorneys arranged that I needed to go to a 4 hour traffic school which is better than getting points applied to my license. I would recommend Kreps Law Firm because they said they would try to get no points applied to my license and that is what happened.

*A satisfied Kreps Law Firm, LLC client*

Thank you for establishing an action plan for my case. Your suggested plan was challenging at times, but ultimately paid off. Thank you so much for your assistance. Job well done!

*A satisfied Kreps Law Firm, LLC client*

Great work! I appreciate all of the effort and help I received throughout these ordeals. The lawyers at Kreps Law Firm were great and helped greatly. I was satisfied completely because everything was dismissed and resolved. Thanks again!

I want to take the time to thank Stacie for assisting me with all the questions I had concerning my case. She was a big help and put me at ease. Also, Ms. Duckwall for representing me as her client and getting my case lessened. She is an excellent attorney and I would recommend her to anyone. I would highly recommend Kreps Law Firm. Their staff is courteous and are concerned about getting your violation dropped or completely dismissed. Kreps always let me know what was going on with my case whether it was through phone or mail. They also treated me with respect and made sure I was happy with the outcome of my case.

*A satisfied Kreps Law Firm, LLC client*

After researching many firms on the internet, I chose to contact Kreps Law Firm, LLC first, based on the very informative website. The experience and history seemed to be there. After Stacie answered many of my questions at initial contact, I knew here were no other firms that I wanted handling my case.

*A satisfied Kreps Law Firm, LLC client*

I had a big request...to avoid a conviction of a moving violation and DUI at all costs. As you know, that would adversely affect my career. Kreps Law Firm, LLC did their homework and did all you could do to protect my license and good name. Thanks to you, I still have all that!

*A satisfied Kreps Law Firm, LLC client*

Mr. Kreps was very experienced in his field and understood the importance of keeping this off of my record with regards to my aviation profession. Stacie was key in relaying information and keeping me informed, as well as answering any questions I had and keeping me sane!

Just a note to tell y'all I've had no alcohol for one year this week. I am forever grateful to you and the team for giving me a life which is incredible, as it is in Christ. My daughter (13) is getting voluntarily baptized this week. God has put me on quite a journey to find him. I know He put us together. Anyway, thanks again, and God Bless You, and all the work you do in His name. I hope your life journey is beyond what you expect because it can't come close to what you deserve.

Out of the 4 or 5 firms I called, Kreps Law Firm, LLC came across as the most professional. Ya'll went above and beyond my expectations. I never thought that things could turn out so well. I have already been recommending you guys to everyone I know. I have talked you up so much already that my brother asked if I was on your payroll. I am more than satisfied. I still can't believe how well things worked out. Even the attorney for the other party pulled me aside to tell me what an outstanding job Mr. Kreps did. WOW! You guys rock.

*A satisfied Kreps Law Firm, LLC client*

Since I am in Missouri, the communication lines were important to me. You did a great job of keeping me informed each step of the way!

*A satisfied Kreps Law Firm, LLC client*

I chose Kreps Law Firm because of the well maintained website and very courteous staff. I was made aware of the possible outcomes. The most important aspect was that I could find an attorney who would work with me even though I wasn't in Alabama. Kreps Law Firm fully addressed that issue and worked with me over the phone in a very professional and meaningful way. I could have had my license suspended, but the charge was dropped. My attempting to elude charge was dropped and my speeding ticket was reduced. I loved working with the office staff and Ms. Duckwall at court. This was my first experience hiring a lawyer and Kreps made it a 100% beneficial and pleasing experience. I couldn't have asked for better service!

Thank you for your assistance, my case was successfully dismissed. The most important thing was to have the case dismissed so it did not appear on my record and avoid a court appearance.
